DESIRE

The fishing vessel Desire was in port with some technical difficulties. She was anchored off shore a week or so ago with problems. She returned, this time tying up to the dock. Rarely do we see a boat of this size tied up at the dock.

Built in 1968, she is 67.3 feet long, and built of steel. Home port is Neah Bay, Washington.

Previously she was the Sea Lion, prior to that Amber Dawn. She is owned by Fjord Mist LLC.

STEPPING BACK IN TIME

Every once in awhile I am surprised by my emails… this one is my all time favorite surprise! I love history… and this is a little piece of 1920s meets 2016.

Jennifer Mitchell dropped an email with this photograph they recreated a few days ago, on September 4th. She also noted that it was difficult getting out there in the dresses, and Matthew’s hat blew away.

According to Jennifer’s email, the top photo was taken in 1920. Guy Weekly is on the left, with possibly one of his sisters in black, and Ora Weekly in white.

class is also offered in Gold Beach at St. Matthew’s Episcopal Church on Fridays from 11:30 a.m. to 12:30 p.m. Cost for the Qigong class is $35.

From the headwaters of the Willamette River to the Oregon coast, water connects us all. Despite our shared landscape and ethic of stewardship, Oregon’s waterways and natural areas are facing serious threats from diminishing wildlife habitat, invasive plants, and litter which flows downstream to our rivers and out to the ocean. Join your fellow Oregonians this September as we support the health of our state, and clean up litter from source to sea.

"A common thread that binds nearly all Oregonians together is how much we all take pride in our state," said Oregon Lottery Acting Director Barry Pack. "And one of the things we can all be proud of is how SOLVE and thousands of Oregonians have been helping make Oregon a special place for 47 years. As a long-time supporter of SOLVE and events like SOLVE’s Beach & Riverside Cleanup, the Oregon Lottery encourages everyone to find a SOLVE event in their area and continue the great work that SOLVE has been doing for decades."

The Beach & Riverside Cleanup is made possible by: Presenting Sponsor the Oregon Lottery; Legacy Sponsor - Metro; Major Sponsors - Clean Water Services, Fred Meyer, Pacific Power, and Wells Fargo; Coordinating Sponsors - Local Coast Haulers and the Oregon Parks and Recreation Department; Media Sponsors - K103fm, and KOIN 6; Supporting Sponsors - Chevron and Skanska; Community Sponsor - NW Natural.
